

Air conditioner/ heat pump

AC05B

Ultra low-noise air-cooled air conditioner / heat pump with a 50 kW cooling and heating capacity. The unit is energy-efficient and can be used in both summer and winter. This unit is plug 'n' play, which makes it very easy to install and operate. The unit has been mounted in a robust steel frame fitted with grates to prevent the condensers from being damaged. It can be moved easily with the use of a lift truck or a crane.
